

Dear Editor,

I recently had the pleasure of reading Patricia Bosley's article appearing in your publication addressing appropriate foxhunting attire. Her article was very well written, enlightening and entertaining. It is one of the best I have ever read on the subject. It was over the top and certainly raised the bar. I felt her expertise on the subject was worthy of circulation to our hunt club's member/subscribership and advised them to be on the lookout for her next article addressing how to tie a four fold stock. You are fortunate to have found such a knowledgeable and capable author to write for your publication.

Yours in foxhunting,
